

# Urgent-You are invited

## PUBLIC MEETING

**What?** Passport Health provides excellent service to the Louisville community and beyond has been a good partner to the Commonwealth of Kentucky for more than 20 years, creating jobs and supporting communities while providing excellent service to hundreds of thousands of our members and provider partners.

- Passport had been in good stead with all regulatory authorities and the state prior to July 1, 2018, when the reimbursement rates were lowered.
- The only thing that changed was that the reimbursement rates, after July 2018, Medicaid rates were cut by 4% for the Louisville region while rates in the rest of the state increased by 2%.
- **This rate cut has endangered Passports existence and directly or indirectly affects OUR COMMUNITY.**

**WHEN?** Saturday, March 30, 2019

10:00 a.m.

**WHERE?** Jefferson Community Technical College (JCTC)

Health Sciences Building

110 W. Broadway

Louisville, Kentucky

**(PARKING OFF 2<sup>ND</sup> STREET, BETWEEN BROADWAY & CHESTNUT)**
